Q-Free's MAXTIME IC

By

Matt McCain: Q-Free

The purpose of this presentation is to provide a comprehensive overview of Q-Free's MAXTIME IC industry-leading intersection control software. We'll explore its powerful features, including the intuitive web UI, ATSPMs for performance tracking, remote download capabilities, and the playback feature for data analysis.

This session is perfect for those looking to get familiar with the powerful features of MAXTIME IC, or for professionals seeking to enhance their understanding of its full capabilities.
